CARMIÉN COCO PINE

Ingredients *Ingredients: Rooibos, Tropical fruit blend (Apple, rosehip, hibiscus, lemon peel, mango, papaya, flavouring, marigold), Coconut, Apricot and pineapple flavouring, Stevia.*

COLD BREW TEA

Use 1 teabag for every 250ml **cold or room temperature water** using a jug, water bottle or travel cup. Steep for 10 min to max 30 min. Stir or shake in between. Remove teabags. Enjoy with or without ice. Refrigerate and use within 24 hours.

Cold Brew teas are specially developed to be used in cold water. Using cold water instead of hot water extracts more of the flavours, but slower, over time. The result? A smooth, cleaner, sweeter tasting tea. This is because cold water extracts a different chemical balance from the tea than hot water.

A deliciously smooth, naturally sweet tasting pineapple flavoured tropical blend with coconut.
